Subject Index

Academic Psychiatry (Journal)

A message from the editor (editorial). Roberts LW. Winter 223-224

On the centrality of peer review (editorial). Roberts LW. Winter 221-222

Your journal, our journal (editorial). Roberts LW. Spring 1-3

Addiction Training

A survey of addiction training programming in psychiatry residencies. Greenberg WM, Ritvo JL, Fazzio L, Bridgeford D, Fong T. Summer 105-109

Administration

Standards for psychiatry clerkship directors. Kuhn TW, Cohen MJM, Polan HJ, Campbell EC, Clegg KA, Brodkey AC. Spring 31-37

Teaching administration and management within psychiatric residency training. Yu-Chin R. Winter 245-252

Assessment

Creating, monitoring, and improving a psychiatry OSCE: a guide for faculty. Hodges B, Hanson M, McNaughton N, Regehr G. Fall 134-161

The Hodges psychiatry OSCE guide and emerging trends in assessment (commentary). Davis GC. Fall 184-186

Lost in the DSM-IV checklist: empathy, meaning, and the doctor-patient relationship (commentary). Tasman A. Spring 38-44

Of standardized patients and OSCEs (editorial). Mohl PC. Fall 133

On the use of standardized patients (commentary). Lewis JM. Fall 193-196

The OSCE revisited: use of performance-based evaluation in psychiatric education (commentary). Loschen EL. Fall 202-204

Problem-oriented instruction as a predictor of success in early psychiatric interviewing. Eells TD, Strauss GD, Teller D, Feldmann T. Summer 82-89

Should we use standardized patients instead of real patients for high-stakes exams in psychiatry? (commentary). Yudkowsky R. Fall 187-192

Teaching the mental status examination to medical students by using a standardized patient in a large group setting. Birndorf CA, Kaye ME. Fall 180-183

Using an objective structured clinical examination in a psychiatry residency (commentary). Broquet K. Fall 197-201

Case Presentation

Residents' morning report in psychiatry training: description of a model and a survey of resident attitudes. Houghtalen RP, Olivares T, Greene Y, Booth H, Conwell Y. Spring 9-16

Child and Adolescent Psychiatry

An experiment in graduate medical education: combined residency training in pediatrics, psychiatry, and child and adolescent psychiatry. Schowalter JE, Friedman CP, Scheiber SC, Juul D. Winter 237-244

Family evaluation clinic: training psychiatrists to think systemically. Celano M, Croft S, Morrissey-Kane E. Spring 17-25

The media: relationships to psychiatry and children: a seminar. Kaliebe K, Sondheimer A. Fall 205-215
 Philosophy and psychiatry: a new curriculum for child and adolescent psychiatry. Wells LA. Winter 257-261

Rebellious rhapsody: metal, rap, community, and individuation. Reddick RH, Beresin EV. Spring 51-59

Clerkship Directors

Standards for psychiatry clerkship directors. Kuhn TW, Cohen MJM, Polan HJ, Campbell EC, Clegg KA, Brodkey AC. Spring 31-37

Cognitive-Behavioral Therapy

Readiness of psychiatry residency training programs to meet the ACGME requirements in cognitive-behavioral therapy. Sudak DM, Beck JS, Gracely EJ. Summer 96-101

Competencies

Readiness of psychiatry residency training programs to meet the ACGME requirements in cognitive-behavioral therapy. Sudak DM, Beck JS, Gracely EJ. Summer 96-101

Standards for psychiatry clerkship directors. Kuhn TW, Cohen MJM, Polan HJ, Campbell EC, Clegg KA, Brodkey AC. Spring 31-37

Continuity of Care

Enhancing continuity of care: residency training in an integrated inpatient-partial hospital program. Kim E, Efremova I, Arora P. Spring 4-8

Critical Thinking

Philosophy and psychiatry: a new curriculum for child and adolescent psychiatry. Wells LA. Winter 257-261

Cross-Cultural Psychiatry

A psychiatric residency curriculum about Asian-American issues. Lu FG, Du N, Gaw A, Lin K-M. Winter 225-236

Curriculum

Enhanced ambulatory experience for the clerkship: curriculum innovation at the University of Michigan. Gay TL, Himle JA, Riba MB. Summer 90-95

Philosophy and psychiatry: a new curriculum for child and adolescent psychiatry. Wells LA. Winter 257-261

A psychiatric residency curriculum about Asian-American issues. Lu FG, Du N, Gaw A, Lin K-M. Winter 225-236

Psychiatric residents' exposure to the field of sleep

medicine: a survey of program directors. Krahn LE, Hansen MR, Tinsley JA. Winter 253-256

A survey of addiction training programming in psychiatry residencies. Greenberg WM, Ritvo JI, Fazzio L, Bridgeford D, Fong T. Summer 105-109

Decision-Making Skills

Family evaluation clinic: training psychiatrists to think systemically. Celano M, Croft S, Morrissey-Kane E. Spring 17-25

Residents' morning report in psychiatry training: description of a model and a survey of resident attitudes. Houghtalen RP, Olivares T, Greene Y, Booth H, Conwell Y. Spring 9-16

Doctor-Patient Relationship

Lost in the DSM-IV checklist: empathy, meaning, and the doctor-patient relationship (commentary). Tasman A. Spring 38-44

Touch where it hurts. Oberstar JV. Summer 131

Educational Abstracts

Educational abstracts. Tiberius R. Spring 47-50. Summer 128-130. Fall 216-218

Educational Theory

Educational perspectives: a discussion of teaching among colleagues. Leamon MH, Cox PD, Servis ME. Summer 61-69

Empathy

The challenge of empathy: a pilot study of the use of standardized patients to teach introductory psychopathology to medical students. Krahn LE, Bostwick JM, Sutor B, Olsen MW. Spring 26-30

Lost in the DSM-IV checklist: empathy, meaning, and the doctor-patient relationship (commentary). Tasman A. Spring 38-44

Touch where it hurts. Oberstar JV. Summer 131

End-of-Life Care

Management of terminal illness: a medical school-hospice partnership model to teach medical students about end-of-life care. Cowell DD, Farrell C, Campbell NA, Canady BE. Summer 76-81

European Training Programs

Research training in the Czech Republic (letter). Balon R, Hoschl C. Summer 125-127

Toward a European harmonization of psychiatric training: the prospects of residency training in Greece. Margariti MM, Kontaxakis VP, Christodoulou GN. Summer 117-124

Family Psychiatry

Combined internal medicine/psychiatry and family

practice/psychiatry training programs 1999-2000: residents' perspectives. Carney CP, Pitkin AK, Malis R, Yates WR. Summer 110-116

Family evaluation clinic: training psychiatrists to think systemically. Celano M, Croft S, Morrissey-Kane E. Spring 17-25

Individuation

Rebellious rhapsody: metal, rap, community, and individuation. Reddick RH, Beresin EV. Spring 51-59

Integrated Training Programs

Combined internal medicine/psychiatry and family practice/psychiatry training programs 1999-2000: residents' perspectives. Carney CP, Pitkin AK, Malis R, Yates WR. Summer 110-116

Enhancing continuity of care: residency training in an integrated inpatient-partial hospital program. Kim E, Efremova I, Arora P. Spring 4-8

An experiment in graduate medical education: combined residency training in pediatrics, psychiatry, and child and adolescent psychiatry. Schowalter JE, Friedman CP, Scheiber SC, Juul D. Winter 237-244

Management of terminal illness: a medical school-hospice partnership model to teach medical students about end-of-life care. Cowell DD, Farrell C, Campbell NA, Canady BE. Summer 76-81

International Training Programs

Research training in the Czech Republic (letter). Balon R, Hoschl C. Summer 125-127

Toward a European harmonization of psychiatric training: the prospects of residency training in Greece. Margariti MM, Kontaxakis VP, Christodoulou GN. Summer 117-124

Media Influences

From Elephant Man to Jerry Springer: the rise of the psychological tele-spectacle. Dechant EJ, Beresin EV, Bostic JQ. Winter 262-266

The media: relationships to psychiatry and children: a seminar. Kaliebe K, Sondheim A. Fall 205-215

Rebellious rhapsody: metal, rap, community, and individuation. Reddick RH, Beresin EV. Spring 51-59

Medical Student Training

The challenge of empathy: a pilot study of the use of standardized patients to teach introductory psychopathology to medical students. Krahn LE, Bostwick JM, Sutor B, Olsen MW. Spring 26-30

Creating, monitoring, and improving a psychiatry OSCE: a guide for faculty. Hodges B, Hanson M, McNaughton N, Regehr G. Fall 134-161

Length of psychiatry clerkships: recent changes and the relationship to recruitment. Serby M, Schmeidler J, Smith J. Summer 102-104

Management of terminal illness: a medical school-hospice partnership model to teach medical students about end-of-life care. Cowell DD, Farrell C, Campbell NA, Canady BE. Summer 76-81

Problem-oriented instruction as a predictor of success in early psychiatric interviewing. Eells TD, Strauss GD, Teller D, Feldmann T. Summer 82-89

Simulating a full-length psychiatric interview with a complex patient: an OSCE for medical students. McLay RN, Rodenhauser P, Anderson DS, Stanton ML, Markert RJ. Fall 162-167

Teaching the mental status examination to medical students by using a standardized patient in a large group setting. Birndorf CA, Kaye ME. Fall 180-183

Morning Report

Residents' morning report in psychiatry training: description of a model and a survey of resident attitudes. Houghtalen RP, Olivares T, Greene Y, Booth H, Conwell Y. Spring 9-16

Objective Structured Clinical Examination (OSCE)

Creating, monitoring, and improving a psychiatry OSCE: a guide for faculty. Hodges B, Hanson M, McNaughton N, Regehr G. Fall 134-161

The Hodges psychiatry OSCE guide and emerging trends in assessment (commentary). Davis GC. Fall 184-186

Of standardized patients and OSCEs (editorial). Mohl PC. Fall 133

The OSCE revisited: use of performance-based evaluation in psychiatric education (commentary). Loschen EL. Fall 202-204

Should we use standardized patients instead of real patients for high-stakes exams in psychiatry? (commentary). Yudkowsky R. Fall 187-192

Simulating a full-length psychiatric interview with a complex patient: an OSCE for medical students. McLay RN, Rodenhauser P, Anderson DS, Stanton ML, Markert RJ. Fall 162-167

Using an objective structured clinical examination

in a psychiatry residency (commentary). Broquet K. Fall 197-201

Outpatient Settings

Enhanced ambulatory experience for the clerkship: curriculum innovation at the University of Michigan. Gay TL, Himle JA, Riba MB. Summer 90-95

Family evaluation clinic: training psychiatrists to think systemically. Celano M, Croft S, Morrissey-Kane E. Spring 17-25

Philosophy

Philosophy and psychiatry: a new curriculum for child and adolescent psychiatry. Wells LA. Winter 257-261

Portfolios

Portfolios as a novel approach for residency evaluation. O'Sullivan PS, Cogbill KK, McClain T, Reckase MD, Clardy JA. Fall 173-179

Practice Guidelines

Teaching the APA Practice Guidelines to psychiatry residents: a novel strategy. Garfield D, Atre-Vaidya N, Sierles F. Summer 70-75

Problem-Oriented Instruction

Problem-oriented instruction as a predictor of success in early psychiatric interviewing. Eells TD, Strauss GD, Teller D, Feldmann T. Summer 82-89

Psychiatric Interviewing

Lost in the DSM-IV checklist: empathy, meaning, and the doctor-patient relationship (commentary). Tasman A. Spring 38-44

Problem-oriented instruction as a predictor of success in early psychiatric interviewing. Eells TD, Strauss GD, Teller D, Feldmann T. Summer 82-89

Simulating a full-length psychiatric interview with a complex patient: an OSCE for medical students. McLay RN, Rodenhauser P, Anderson DS, Stanton ML, Markert RJ. Fall 162-167

Teaching the mental status examination to medical students by using a standardized patient in a large group setting. Birndorf CA, Kaye ME. Fall 180-183

Psychosocial Issues

Lost in the DSM-IV checklist: empathy, meaning, and the doctor-patient relationship (commentary). Tasman A. Spring 38-44

Management of terminal illness: a medical school-

hospice partnership model to teach medical students about end-of-life care. Cowell DD, Farrell C, Campbell NA, Canady BE. Summer 76-81

The social brain: a unifying foundation for psychiatry (letter). Bakker C, Gardner R Jr, Koliatsos V, Kerbeshian J, Looney JG, Sutton B, Swann A, Verhulst J, Wagner KD, Wamboldt FS, Wilson DR. Fall 219

Psychotherapy

Readiness of psychiatry residency training programs to meet the ACGME requirements in cognitive-behavioral therapy. Sudak DM, Beck JS, Gracely EJ. Summer 96-101

Using standardized patients for formative feedback in an Introduction to Psychotherapy course. Klamen DL, Yudkowsky R. Fall 168-172

Recruitment

Length of psychiatry clerkships: recent changes and the relationship to recruitment. Serby M, Schmeidler J, Smith J. Summer 102-104

Research

Research training in the Czech Republic (letter). Balon R, Hoschl C. Summer 125-127

Residency Training

Combined internal medicine/psychiatry and family practice/psychiatry training programs 1999-2000: residents' perspectives. Carney CP, Pitkin AK, Malis R, Yates WR. Summer 110-116

Enhanced ambulatory experience for the clerkship: curriculum innovation at the University of Michigan. Gay TL, Himle JA, Riba MB. Summer 90-95

Enhancing continuity of care: residency training in an integrated inpatient-partial hospital program. Kim E, Efremova I, Arora P. Spring 4-8

An experiment in graduate medical education: combined residency training in pediatrics, psychiatry, and child and adolescent psychiatry. Schowalter JE, Friedman CP, Scheiber SC, Juul D. Winter 237-244

Family evaluation clinic: training psychiatrists to think systemically. Celano M, Croft S, Morrissey-Kane E. Spring 17-25

Philosophy and psychiatry: a new curriculum for child and adolescent psychiatry. Wells LA. Winter 257-261

Portfolios as a novel approach for residency
